Invitation for Tender for the Provision of Data Centre Colocation Services to the Hong Kong Genome Institute

The Hong Kong Genome Institute (“HKGI”) invites qualified tenderers to submit tenders for the Provision of Data Centre Colocation Services to the HKGI.

General Scope

The scope of this project involves provision of data centre colocation services supporting HKGI’s bioinformatics platform and general information technology infrastructure.

Qualification Criteria

Tenderer shall be a reputable data centre operator or owner and should have experience of at least 2 projects completed in the recent 5 years for provision of comprehensive data centre colocation services within private space (e.g. slab-to-slab private wire cage or a dedicated private data hall) in Hong Kong, with project sums over HK\$10 million each.

Tender Documents

Interested parties are required to provide information to the HKGI to show that they meet the qualification criteria (as stipulated above) by email to procurement@genomics.org.hk and to request a copy of the tender documents. The HKGI has the sole discretion to issue the tender documents to any person/entity whom the HKGI considers appropriate.

Tender Closing Date

12:00 noon (Hong Kong time) on 15 May 2026.
